Event Calendar

June 16 : Holiday Motors

This drive on Father's Day weekend is a tradition. This year, the drive is joining with members of the RX Club. Currently, there has been a large number of registrations, so it is likely the drive will have multiple pods. Pres Don Gervais is leading this drive.

June 21-24 : Door County

Jane and Dennis Schmidt are recognized for organizing fun-filled weekends in Door County. They do not do this alone, but have assistance from several dedicated BMC members. It is a huge undertaking for them. The Friday ride is limited to 20 cars, and a waiting list has already formed in the event of cancellations.

June 23-24 : Road America

The Indy Car series brings it race to the 4-mile track at Plymouth, WI. They will be joined by the Pirelli World Challenge featuring many of the world's top sports cars and drivers. Mazda Road to Indy will also be present, feature three race venues for developing tomorrows star drivers. Mazda's presence will be huge. Details are still being developed, but expect them to be revealed soon on our website.

July 14 : Bergstrom Sponsored Ride

The BMC relationship with Bergstrom Mazda began 4 years ago with our 25th Anniversary celebration. Mike & Sandy Stratz and Dan Dahl & Mary Ziesemer are putting together a new ride, which will go southwest of Appleton in the region of Lake Poygan and Green Lake. New Miata purchasers are invited to participate and find out what the BMC is about. Be sure to welcome them. This drive is in the NE Region, so please participate. Details should be released, soon, on the website.

July 21 : Lavender Event

This event, designed by Laura Netzing, is aimed at the females in the club, but that doesn't mean the guys are not welcome. See the website for more info.

Join The Fun

I am always observant of Miatas and, when I encounter one I do not recognize I approach the driver and present him/her with one of these cards.

JOIN THE FUN!

We are Miata owners who love to drive and have a good time. We encourage you to come to one of our events, meet the group, and enjoy the ride.

If the car is parked and no one is around, I will leave the card under the wiper blade. I carry a few in my wallet at all times. If you would like some of these cards to distribute, drop me a note. Not every Miata owner will become a club member - only those that know we exist. The BMC doesn't have to kept a secret.

Car Show

Last month I sent out a plug for Spring Cruise Car Show in Clintonville. Two hundred twenty-seven vehicles participated, vying for trophies in 15 classes, plus four special trophies. I had hoped a contingent of Miatas would appear, but that did not happen. Maybe next year? It is always on the third Friday in May, and info can be found at springcruise.org. Profits from the car show are used to provide scholarships to students pursuing an education in some facet of mechanics.

**Summer weather is finally
here. Get into your Miata and
Enjoy It.**
