

SVRA Spring Vintage Festival

And Track Tour

Saturday May 19,2018

Road America Elkhart Lake WI

Come join us as we wander through the pits and watch some of the coolest vintage racecars around doing their thing on the 4.04 mile 14 turn road course, and as a added bonus we will be doing a pace car lead track tour during the lunch hour. The track tours can be lead at a pretty good clip, but are no way meant as a way to see where the limits of you and your car are. (Interested in finding out where the limits are? Come join me at the Autobahn in August.) However, you will get a feel during this multi-lap event for what a driver will see and gain a better understanding of how the road course is laid out. Go to the Road America web site for information on this event and a map to the touring paddok.

See you there.
