**SO JOIN US FOR THE 2018 BMC PLANNING  
SESSION**

**NOVEMBER 3<sup>rd</sup>, BROOKFIELD, WISCONSIN - at HALL MAZDA**

It's that time when the Badgerland Miata Club reviews the year's events, elect & (re-elect) officers, and puts together our plans for the upcoming season - planning trips & outings for the upcoming 2019 driving year.

We know that you probably enjoyed the events you went on this year, and here's your chance to make your mark on the 2019 season. As always have the changing of some officers, procedures to discuss, and events to plan, so it's really important that you attend, participate, and get involved in the fun.

**YOU are the club - make sure you attend this most  
important event.**

We are looking for you to bring your ideas and your appetite. We'll supply a light lunch and refreshments. And after we've exhausted ourselves putting together all the great events for next year, we'll head west just a bit to Albanese's Roadhouse for some libations and of course a little Italian dining.

**If you're not sure where Brookfield, is, it's easy, it's part of Goerkes  
Corners just west of Milwaukee, (Waukesha County). It's where I-  
94 and Highway 18 (Bluemound Rd.) intersect.**
