

Sugar River Pizza Company

Verona, WI

Saturday, January 23, 2021

For those who weren't able to make it to this event, you missed some of the best pizza in Wisconsin!----not to mention it was great seeing our BMC friends again. Well, not everyone had pizza, but the food and service are fantastic there.

12 of us gathered at noon for lunch and caught up on what's been happening in our lives and the club. We had a discussion regarding the FM radios versus the CB radios, how to set up a ride, and reviewed documents for how to set up a ride so that it can be updated.

We also mentioned that the By-Laws and Operating Procedures will also be updated. These documents will be coming out to members as soon as the Board has them ready so they can review them and see if there are still need any changes needed. These will need to be approved at our Annual Meeting in November.

It was a great time with much laughter and friendship. As for those who couldn't make it, we know you were thinking of us. Hopefully, we'll be able to do a larger gathering at some time in the near future. Sorry, your hosts were so busy talking that we didn't get any picture. :(
