

Club Sec. Paul & wife Jenny Fredrichs

As your new secretary as well as a new member to BLMC I would like to introduce myself. Jenny & I joined the group in April 2016. We have owned 4 Miatas starting in 1991. We have also owned a 1997 and a 2004 and our present 2016. The evolution of the car has been extraordinary. Just when you think it can't get better, it does! Our first ride to Potosi in August and we were immediately hooked. Not only the fun of the drive itself but meeting many of you and feeling so welcome as new comers. Made us both excited for the future outings with the group. We live just north of Oconomowoc with two dogs, a Westie (Montie) and a Scottie (Maggie). Jenny is a retired nurse & I am a semi-retired pharmacist. Look forward to our next get together and more Zooming
