

## Holiday Motors June 25, 2022

It started on a rainy day and ended on a rainy day.

We had a scrumptious lunch of shredded hot turkey or pulled pork, along with a ramen salad, potato salad, a cookie, and a beverage of choice. WOW! Holiday Motors put on a fantastic comfort food luncheon for us!

Between rain drops we, I think 23 cars depart from Holiday Motors and we all had a lot of fun driving our Miata MX-5s around the Kettle Moraine roads. We saw plenty of wildlife out and about – deer; Sand Hill Cranes, with their babies (do you know that if they have more than one chick what happens? You'll have to check to Tom C to find the answer!), turkeys; etc. Thank goodness there were no racoons or buzzards to create hazards for us on this trip, like we have had on the past 2 trips.

After the first leg, we stopped at a Dairy Queen to have some ice cream---YUMMMM. We then proceeded on to the second leg where.....the last cars got waylaid because we followed the car in front, not sure where that car was going, so we ended up in the opposite direction of the rest of the group; but we enjoyed the route we took as if it was the right one!

We all ended up at the Twisted Pear for a pizza supper. Some of us just started earlier than the rest of the group. We found out that this is a 5<sup>th</sup> generation ownership of the place; it is haunted, though we didn't get to greet any of the spirits that day; and that they have really great food!

We also got to sing Happy Birthday to Mary Lynn C., and even the patrons sang along with us! Many good stories and laughter were shared by all. Thanks, Don Gervais, for a wonderful day. Even though it rained, it sure didn't dampen our spirits.
