

SUGAR RIVER PIZZA MEETING

January 27, 2024

Late Saturday morning, 25 of us met at Sugar River Pizza in Sun Prairie. It was great to see so many people turn out for this event, including some new members! We had two long tables and even some overflow. There were many conversations around the tables on many topics including travel and vacations.

Henry Netzinger started the meeting and went over the FM hand-held radios that many members are using in their cars during rides. He encouraged members to get a set to use on the rides. You can contact Henry at hnetz10@yahoo.com if you have any questions.

Jim Loeffler discussed briefly the use of Ride GPS and how useful it can be. He offered instruction on it if you are new to the app. You can contact him at loefflerjames@yahoo.com.
